

**Walvis Bay:**  
 Travel along the C14 for about 55 km – to just after the Vogelfederberg turn off – take the Gobabeb/Homeb road right. Gobabeb is another 60 km straight along this road.

**Swakopmund:**  
 Drive to Walvis Bay and follow the instructions above.

**Windhoek (Via Gamsberg Pass):**  
 Travel along the C26 towards Walvis Bay. Once you reach the C14, drive through the Kuiseb Canyon. Turn left at the third turnoff marked: Zebra Pan/Mirabeb/Homeb/Gobabeb (the first turnoff to the left is to the Kuiseb lookout and the next to Aruvlei) – these signs are on stones and are easily missed, therefore look carefully. In the distance you will see the microwave tower on top of a hill. At the Zebra Pan junction, take the Mirabeb/Gobabeb Road. Gobabeb is 70 km from the C14.
